*Dear Pizza Lover,*

*Gus's New York Pizza in Tempe is the ORIGINAL Gus's established over 25 years ago. We use only the highest quality ingredients and the freshest produce. Our dough and sauce are made from scratch daily. We shred our own special blend of 100% mozzarella cheese. We still use traditional stone deck pizza ovens to create the perfect tasting pizza.*

*It may take a little longer than the "assembly line" pizzas, but we promise it is worth the wait. Enjoy!*

*Gus*
